

Safeguarding Children and Young People Statement Children 12 and under Version

All staff at CatholicCare NT (CCNT) believe children have a right to:

- feel comfortable
- be safe
- feel safe
- be heard.

We must do our best to make sure children are protected from any harm and we do this in the following ways:

It is not OK for anyone to hurt your feelings or your body.

1. If you are unhappy with the way you are being treated please tell a parent/carer, someone you trust or one of the staff.

2. If staff are worried about your safety, they might need to speak to someone else to make sure that you are safe.

3. It is OK for you to say NO to an adult if they ask you to do something that makes you feel unsafe or is not comfortable for you. We will listen to you and help.

4. We welcome all children to CCNT no matter where they come from.

5. We look out for children to make sure they are safe and comfortable when we are working with them.

6. Staff must be fair and respectful with children and guide them in a way that they can understand.

8. Staff will explain to you what you 'can' and 'cannot do' when they are working with you.
